Auto insurance: ritualunawellness.com/automotive-insurance-massage

Who can refer to massage or manual therapy for rehabilitation

Plans based in Oregon: Physician (MD), Doctor of Osteopathy (DO), Physician Assistant (PA, PA-C), Nurse Practitioner (NP, ANP, PNP, FNP, GNP), Naturopath (ND), Chiropractor (DC), Podiatrist (DP) - lower extremity problems only, Dentist (DDS, DMD) - craniomandibular disorders only

Plans based in Washington: Physician (MD), Doctor of Osteopathy (DO), Physician Assistant (PA, PA-C), Nurse Practitioner (NP, CRNP, ARNP), Naturopath (ND), or Osteopathic Physician Assistant (OA).

Diagnosis

Referral must specify a diagnosis that massage therapists are authorized to treat, typically musculoskeletal pain with an ICD-10 diagnosis code that begins with "M," such as "M25.551: pain in right hip."

Effective Date Span

Oregon auto insurance: a date span of 4-8 weeks is typical.

For commercial private health insurance, a date span of up to 1 year is typical.

Regence PPO plans have no limit on the date span.

Retroactive Referrals

A retroactive referral has an effective date in the past, and a signed date in the present. Please note that a retroactive referral is not a backdated referral. We would never ask for a backdated document.

Regence PPOs permit retroactive referrals, with no limit on age.

Duration and Frequency of Treatment

A referral is required to have an effective date span, and either a prescribed number of visits or frequency of treatment.
